# 12kW Petrol Generator

- Electric Start
- kW Rating(Max/Cont.): 12kW/11kW
- KVA Rating(Max/Cont.): 15KVA/13.7KVA
- Interchangeable from Single to Three-phase
- 713cc
- Wheel Kit
- AVR

|                         |                                    |
|-------------------------|------------------------------------|
| <b>Model</b>            | <b>RGH15000D</b>                   |
| Engine type             | 4-stroke, OHV, 90°Double-cylinder, |
| Engine model            | H720D                              |
| Displacement(cc)        | 713                                |
| Starting type           | Electric Start                     |
| Rated power(kw)         | 11                                 |
| Max power (kw)          | 12                                 |
| Oil Tank Capacity (L)   | 1.55                               |
| Generator dimension(mm) | 765 x 610 x 740                    |
