## POWAI0022 - PNEUMATIC MULTIFUNCTION SET 9PCS

This blow gun set will save you a lot of trouble and time. You can use it to inflate footballs, beach balls, air swimming pools, air mattresses,... or blow away dust and dirt from hard to reach places, for instance when cleaning a bicycle chain. Quick and easy.

The complete 9-piece set includes all the basics you need such as an air gun, a 5m air hose, blow tubes, blow guns and ball needles. A quick-release fitting makes changing accessories a simple process.
