**TELESCOPIC HEDGE TRIMMER 40V - POWDPG75380**

This cordless, telescopic hedge trimmer from Dual Power is the ideal tool for trimming the top of hedges, without having to climb on an instable ladder. The hedge trimmer is telescopically extendable up to a length of 270cm. So even the highest hedges can be trimmed easily.

The 40V tool has a maximum cutting length of 510mm. The laser cut, double action blades can cut through branches with a diameter of up to 20mm effortlessly. Thanks to the up to 45° tiltable head, trimming in every direction has never been easier. Combined with the ergonomical D-shaped softgrip, the POWDPG75380 is equipped with all the necessary comfort.

The blade features a protective nose with hanging hole, that protects the blade from unwanted contact with the ground or rocks and allows to safe space when storing the hedge trimmer. The electric quick stop break and double safety switch ensure the user's safety.

**Separate battery and charger**

The battery and charger are not included. They are sold separately and are compatible with the whole Dual Power range.

**Which Dual Power batter is compatible?**

This 40V telescopic hedge trimmer is only compatible with the 2x20V Dual Power batteries.
