# POWER STATION 4-IN-1

This 4 in 1 power station keeps you powered on the road, during holidays or anywhere else where extra power supply is needed. It is a jump start, compressor, power supply and worklight in one.

You can use the 12 DC output socket (with overload protection) to plug in radio, television, laptop, tablet, smartphone, etcetera. The jump start helps you start a vehicle with a discharged battery. The integrated compressor is perfect for inflating a ball, air mattress, car tyre, ... A handy 3,6W worklight makes the POWE80090 complete.
