Need to cut firewood occasionally or prune your trees without excessive noise or petrol fumes? Then go for this electric Powerplus chainsaw.

With 2000W power and a 350mm long bar, you are able to saw a considerable amount of tree-trunks and branches. You do this efficiently: you don't have to lubricate the chain, as this is done automatically.

It can be tensioned easy and quickly, without any tools. Moreover you will be working safely thanks to the safety guard and low kickback. A premium bar and chain make sure you have a quality tool at hand.
