##### 1 MERIT

"Wines that reliably achieve gold and silver ribbons in recent vintages, with top vintages achieving 95 points or more."

#### The Real Review, Stuart Knox - DEC 2023

##### 95 POINTS - RANKED #6 OF 102 2020 SHIRAZ FROM MCLAREN VALE

"Deep ruby from core to rim. Blood plum, anise, and crushed violet aromas. Deep black and blue fruits on entry with weight and intensity. Ironstone, nori and boudin noir elements all fill quickly so it becomes very complex and savoury on the palate and the sandy tannins ensure the whole package rolls long to the dry finish"

##### 95 POINTS

"A vintage that proved quite well-suited to a more elegant and refined style of Shiraz, captured beautifully in this excellent wine. The aroma is captivating with an earthy plummy fruit interaction creating immediate appeal. Then the palate shows impeccable balance and seamless integration. The way the oak has been held back slightly has contributed to a wine that presents perfectly."

#### Halliday Wine Companion, Ned Goodwin MW - AUG 2023

##### 94 POINTS

"A big wine with a corset of reductive restraint, imparting lilac, tapenade and fruitcake to a swirl of blue and black fruit allusions. This is a winery on the larger side, coming to the contemporary table and doing it very well. Tension and generosity in equal measure."
