

CORAL EXPORT PERMIT

What You Need To Know To About Your CITES Coral Baggage Permit.

PURPOSE

Personal Baggage permit applies to coral taken overseas in accompanied baggage for personal use only.

To send coral overseas by courier, post or freight, a different permit is required.

PERMIT LIMITATIONS

Each permit is valid for ONE piece or pack of coral only. Maximum number of permits per person is four.

A permit is valid for six months from the date on the front of the permit.

IDENTIFY THE CORAL

Each permit must include the particular scientific species name of the coral. Ask us for a photo guide to accurately identify the species of coral.

COMPLETE THE PERMIT

Each Permit must be completed with the date of issue, species of the coral, name, address and destination country of the traveler.
