LUXURY BRITISH FURNITURE

# pixel

## T H E P I X E L R a n g e

Drawing on inspiration from early platform video games. The Pixel is designed to make the user question its construction + material. With each PIXEL is hand made from conception to finishing.

The pixel is available in a full range of colours and can be customised in size to best suit its environment. Our colour match service

Pictured in white, our unique metal flaked Matte paint brings the piece to life. The pixel Coffee table is the first in a series with dining and side tables coming soon.
