

MATTHEW NUNN

LUXURY BRITISH FURNITURE

THE VULCAN

THE VULCAN chairmans desk.

1 of 88

Designed to us carbon fiber's inherent strength and beauty, The Vulcan Desk is the perfect combination of engineering and sculptural form.

Offered in either Forged or Woven carbon fibre and finished with a nano ceramic coating to assure the most scratch resistant piece possible. Personalised engraved stainless steel plaque to the underside

Each Vulcan can be customised in its dimensions to best suit its environment.
