————— *We make gifting personal* —————

INTRODUCTION

Welcome to Nicobar's Gifting Service: we're here to help you select and personalise perfect gifts from a wide selection of our products, suited to all needs, occasions and personalities, and for budgets big and small.

We offer an end-to-end service: we'll chat with you to understand exactly what you need, help you handpick products that tell your story, create compelling and personalised inserts and content, and finally, will customise our eco-friendly packaging to ensure the entire experience is memorable for everyone involved.

From corporate gifts, to large wedding orders, or any other need, we're more than happy to work with you for your specific requirements.

To start, browse through our catalogue to get a sense of the service.

THINGS YOU SHOULD KNOW

We can customise everything (yes, everything!) from product to packaging. Whether you want your **company logo** printed on a kulhar, **a journal designed** just for you, or **innovative packaging**, we'll do it all.

You can also pick from a bank of pre-designed Nicobar patterns to dress our selection of blank kulhars, espresso mugs and tea plates. Plus, you get to truly personalise our clothing and travel accessories with delicately embroidered monograms.

Depending on the size and quantity of your order, allow us a lead time of anywhere from one week to three months.

Bear in mind, our catalogue features **special prices** (and not your regular MRP) for a minimum order of 50 pieces per product.
