

ELIZABETH PERSON

MAP & INFO ART ART & DESIGN EVERETT, WA

SUMMER 2023
WHOLESALE CATALOG

Welcome! I'm an illustrator and small business owner based in Everett, Washington. Inspired by my travels and curiosity, I use ink and watercolor to create modern depictions of maps and "illustrative infographics." Whether detailing the luscious greenery of my native Pacific Northwest or providing a comprehensive look at the human skeletal structure, my illustrations are precise and instantly recognizable conversation starters.

My artwork can be found in shops around the Northwest, at art festivals and on my website elizabethperson.com.

As a small business owner, I love partnering with other small and locally owned businesses. Thank you for exploring my wholesale line and carrying my work at your store.

An exploration of the psychology of architecture, as well as a loving tribute to the connections we forge with the homes we care for and live in, this book is designed for anyone who's ever fallen head over heels for a house.
