## About Our Shoes

---

Re-Mix Vintage Shoes are individually handcrafted in small batches, making each pair unique. The color or texture of the leather may change a bit from one production run to another. Additionally, as part of an effort to reduce waste, all parts of the hide are used, which may result in slight color and grain variations characteristics of natural leather.

## Questions?

---

Call us: +1 (323) 936-6210 Mon.-Fri. from 12pm-7pm Pacific Time, or email us: [info@remixvintageshoes.com](mailto:info@remixvintageshoes.com).
