

PRODUCT USE GUIDE FOR DISHWASHER TABLETS C13

Product Description

Formulated for use in domestic dishwashers. The tablets are individually wrapped. The tablets have six functions:

1. Wash
2. Rinse
3. Water Softener
4. Glass Protection
5. Stain Remover
6. Stainless Steel Protection

Product Features

- This product is food safe when used in accordance with the Directions for Use below.

Direction for Use

- Remove food scraps and rinse heavily soiled items before loading the dishwasher.
- Remove tablet from wrapper and place in the dispenser.
- Close the dispenser, select programme and switch on.
- NB - Certain items are not suitable for automatic dishwashing. These include some lead crystal or decorative glassware, antique and hand painted items with the pattern over the glaze, items with bone, wooden or plastic handles, coloured or anodised aluminium-ware or plastic items which cannot withstand temperatures of above 70°C. If in doubt, consult the manufacturer's recommendations or test wash one piece. Do not allow silver to touch stainless steel in the dishwasher.

Storage

- Store in cool conditions away from direct sources of heat
- Avoid extremes of temperature
- Do not allow to freeze
- Ensure the cap is tightly fitted after use
- Keep out of reach of children

Shelf Life

- Shelf life 24 months, if stored as recommended.
- Use within 6 months of opening.

Environmental

- Do not allow large quantities of neat product to enter surface waterways.
- In the event of a large spillage, contact the local water authority or Environment Agency immediately.
- None of the components of this product are animal derived.
