set in stone

Bespoke furniture brand **Just Adele** is the designer you need to know right now. We're loving their stone pieces, especially the soft curves and textural finish of the **Duo Collection 'Sofia'** travertine coffee and side table. Justadele.com.au

kitchen updates Premium French cookware brand **Le Creuset** has released a **new colour collection called Fig** – a range of cast iron cookware, stone tableware and silicone accessories in a deep, earthy shade of violet. You can get your hot little hands on the collection in store and online. LeCreuset.com.au
