

Whether you tie your flies or buy them, you can help by contributing flies to Warriors and Quiet Waters. Here is the list of flies requested, so get tying!
Or go to your favorite fly shop and buy a few dozen.

Flies are needed before April 1, so bring your flies to our next Chapter meeting or to the February 17 ThreadHeads Tie-A-Thon at Great Burn at 6:30p. Or you can mail them in!
