

COMBAT

NEWEST GENERATION OF HYBRID BALLISTIC GLASSES, MIL-PRF-31013 AND ANSI Z87.1-2010 CERTIFIED, **PLATINUM**® COATED COMBAT PROTECTIVE GLASSES PROVIDE UNIQUE ADAPTABILITY THANKS TO THEIR EASY-TO-CHANGE MONO-LENS IN CLEAR, SMOKE AND ESP VERSIONS, RX KIT AVAILABLE.

SPECS

LENS

PC lens - 2.95 mm - Curve 9
 PLATINUM coating (except ESP version)
 Optical insert in option
 Interchangeable lenses

WEIGHT

1 OZ

TEMPLES

Comfortable bi-material temples available in tan or black according to the version
 Removable adjustable cord

STRAP

22mm with optional foam. Non-slip technology and side pivot for increased comfort

The new exclusive PLATINUM coating guarantees even more safety, reliability and comfort. Washable (water and soap), this permanent coating applied on both sides of the lens makes it highly scratch resistant and durably delays the appearance of fogging.
