NAVETTES & TIBET COLLECTIONS

Dall'antica tradizione himalayana, i gioielli della collezione Tibet custodiscono i segreti e l'amore tramandato di madre in figlia attraverso la preziosa e sapiente tessitura del filo. Magistralmente eseguiti, gli anelli Tibet sono l'abbinamento perfetto per la collezione Navettes. Ispirati al più raffinato taglio delle gemme, i gioielli Navettes combinano diamanti e madreperla naturale in armoniose combinazioni.
