

MATTIOLI

X-BAND RINGS SIZE CHART

Our X-Band rings bring the concept of the timeless eternity ring to a whole new level. Thanks to their innovative mechanism, the X-Band rings can easily cover up to 4,5 different sizes. A stretchable inner spring gives the X-Band ring the flexibility to fit every finger shape. The same ring can be easily worn with every temperature, without renouncing to comfort.

OUR DIAMONDS

Mattioli is a certified member of the Responsible Jewelry Council and has achieved the RJC Code of Practices Certification, a landmark standard for the jewellery supply chain which addresses a wide range of supply chain issues, including business ethics, human rights, social and environmental performances. In addition, Mattioli has also achieved the Chain of Custody certification, which concerns traceability and requires responsible business practices at each step in the jewellery supply chain. This is why it is guaranteed that the X-Band diamonds are mined with stringent criteria on responsible sourcing.

None of Mattioli diamonds (or gemstones) find their source in a conflict zone. If you wish to know more about the Responsible Jewellery Council, please visit the official site www.responsiblejewellery.com

MATTIOLI BRANDED BEZEL

A unique design to celebrate a unique eternity ring. The diamonds on every X-Band ring are embedded in the unique Mattioli branded bezels.

MATTIOLI

X-Band rings in white gold and white diamonds:

Art.	Sizes (EU)	Sizes (US)	Carats per stone	Total Carats	Colour and clarity
