We age up to 10 days without charge, after that it's \$2 a day per carcass

**\$99 one time label set up fee for all USDA Inspected items.**

We will kill beef over 30 months, but the USDA requires we remove the entire spinal column, which damages the nicest cuts and steaks. If your calf is over 30 months old, we cannot be responsible for the quality of the cuts and steaks.

**We will go over the breakdown of your animal with you and  
schedule a pick up date upon drop off.**
