

HYDRO FRESH 90-DAY SEALANT

SO MUCH MORE THAN A JUST DETAIL SPRAY.
SAFE ON ALL WRAPS, GRAPHICS, PAINT, AND GLASS.
90-DAY HYDROPHOBIC FINISH THAT SHIELDS FROM CHEMICALS & UV RAYS.

SEAL YOUR WRAP quickly and easily for up to 90 days of hydrophobic properties, UV protection, and enhanced shine. You'll notice that dirt doesn't stick as hard, and that water beads up while washing your vehicle. Each bottle offers 3 full applications (or around 9 months of protection).* Pairs well with Wrap Fresh Microfiber Detailing Towels.

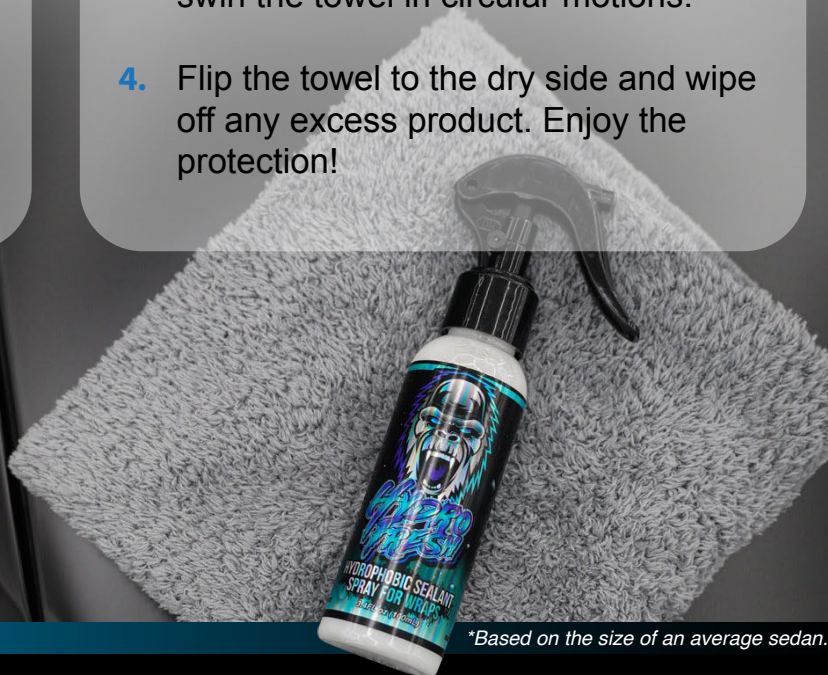

BENEFITS

- Enhance the finish of your wrap with hydrophobic properties.
- Improve the lifespan of your wrap with our UV protection formula.
- Up to 9 months of protection total per bottle.
- Three full-vehicle applications per bottle.*
- Safe on all wraps, graphics, paint, plastics, and glass.

DIRECTIONS

1. Begin by cleaning your vehicle using Foam Fresh Foaming Shampoo out of direct sunlight.
2. Lightly mist Hydro Fresh directly onto one side of your microfiber towel.
3. Apply the product to one panel at a time in long sweeping motions. Do not swirl the towel in circular motions.
4. Flip the towel to the dry side and wipe off any excess product. Enjoy the protection!
