Pairs well with Wrap Fresh Microfiber Detailing Towels.

## BENEFITS

- Clean and enhance the finish of your wrap. Choose Gloss or Satin / Matte.
- Improve the lifespan of your wrap with our UV protection formula.
- Quick and easy wipe on, wipe off application.
- The best way to regularly maintain your wrap.
- Safe on all wraps, graphics, paint, plastics, and glass.

## DIRECTIONS

1. Begin by cleaning your vehicle using Foam Fresh Foaming Shampoo out of direct sunlight.
2. Lightly mist Wrap Fresh directly onto one side of your microfiber towel.
3. Apply the product to one panel at a time in long sweeping motions. Do not swirl the towel in circular motions.
4. Flip the towel to the dry side and wipe off any excess product. Enjoy the protection!
