

Elma Body Balm C

Pain Eraser

Elma Balm C - a 100% natural pain killer - is perfect for reducing inflammation and providing pain relief from muscle spasms, gout, sprains, strains, torn muscles and ligaments, stiff neck, and joint problems.

The active component in Elma Balm - cannabis seed oil - is an all natural, powerful analgesic with anti-inflammatory properties that has long been used as a natural pain killer. Elma Balm C is loaded with the essence of cannabis making it a fast-acting and easy to use cream to help relieve any pain without any side effects, including reducing tense muscles, and even easing the distress of headaches and moderate migraine pain.
