

LOW-VOC. ODORLESS. NON-FLAMMABLE.

Your Crawlspace™ YCS MAGIC SEALANT / ADHESIVE

A LONG-LASTING BOND

PRODUCT BENEFITS:

- A long-lasting bond
- Securely attach to any foundation wall
- Low-VOC, odorless, and non-flammable
- Available in white & black

The YCS Magic Adhesive is the optimal choice for bonding any YCS vapor barrier to foundation walls. The Magic Adhesive is great for use with both mechanical and non-mechanical attachments. Specifically designed for use with our YCS Wall Curtain and YCS Wall Attachment Tape, this environmentally friendly, low-VOC, non-flammable formula establishes a permanent bond with any surfaces. It maintains 25% flexibility when cured. The YCS Magic Adhesive is ideal for sealing vent covers on block, brick, stone, and metal, wet or dry.
