

YCS 100% REINFORCED 9 MIL VAPOR BARRIER

YCS 100% REINFORCED 9 MIL VAPOR BARRIER

YCS-9125100VBW, 9 MIL 12.5'x100'

The material measures to 12.5' x 100' (folded to 6.25') or 1,250 sq ft.

This product is a 100% reinforced ground or wall vapor barrier, not 10% reinforced like most liners. Additionally, it will not grow mold. Check out ASTM-1338-00 and ASTM G-21. This product works well with our YCS Seam Weld, Wall Curtain, Wall Attachment Tape, Seam Tape, and our Magic Adhesive. This product compares with most 12 mil reinforced vapor barriers, however it is lighter, stronger, and less expensive.

The YCS 9 mil reinforced vapor barrier is also available in precut wall sections. Wall sections come 2' x100', 3'x100', 4'x100' and 6'x100'.

YCS-9125100VBW, 9 MIL FLOOR LINER (12.5'x100' OR 1,250 SF)

YCS-924100VBW, 9 MIL 26.6" x 100' WALL LINER (WHITE/BLACK) (220 SF)

YCS-936100VBW, 9 MIL 38" x 100' WALL LINER (WHITE/BLACK) (316 SF)

YCS-948100VBW, 8 MIL 51.5" x 100' WALL LINER (WHITE/BLACK) (429 SF)

YCS-972100VBW, 9 MIL 74" x 100' WALL LINER (WHITE/BLACK) (616 SF)

**Pre-rolled for your convenience to protect the liner from dust, dirt or moisture to ensure better tape seams, all while saving labor time and wasted material.*
