### YCS MAGIC SEALANT / ADHESIVE

#### YCS SA10.1OZ MODIFIED ADHESIVE (QUANTITY OF 12)

The YCS Magic Sealant / Adhesive will attach to virtually any foundation wall and must be used with our YCS Wall Attachment Tape and Wall Curtain. When combined with the activation strip on our Wall Curtain and the Wall Attachment Tape, you can be sure you have a permanent attachment and seal.

The product is low VOC, has no odor, is non flammable, and is easy to work with. Remember, it will seal to most surfaces permanently, so put it where it needs to go or clean up quickly with mineral spirits. Remains 25% flexible, contains no solvents, radon sealant, gap crack penetration for foundation and water proofing. Specifically designed for YCS Wall Curtain and YCS Wall Attachment Tape.

Please contact YCS for specific instructions for using this product for seams.
