

Errata for Fussy Cut Sampler, First Printing

Block 12

Fabric D&E - (1) 4-1/2" squares for QST. **You only need 2 of each if you are using a directional fabric that you do not want to rotate in your second QST block.

Block 19

Fabric A - (2) 9-3/4" x 5-1/2" rectangles

Fabric B - (2) 5-1/2" squares

*if you've already cut the fabrics to the cut size in the book, you'll find you can still make a perfectly sized block, but the updated measurements here give you room to fussy cut, and will also mirror the directions for marking your ruler in the Tip.

Block 31

The cutting size for Fabric B should be (4) 6-1/2" x 2" rectangles

Block 34

Fabric A

(3) 4 1/2" squares for HSTs, cut once along the diagonal

(3) 4" squares for the QSTs, cut once along the diagonal

Fabric B

(3) 4 1/2" squares for HSTs, cut once along the diagonal

(2) 4" squares for the QSTs, cut once along the diagonal

Block 37

The cutting directions on this block are correct if you are making a block that looks like Nichole's block (pg 110). Directions should read:

- Gather the Fabric B rectangles and Fabric C squares and assemble 4 B/C Flying Geese Units (see page 10). Trip to 2"x3.5". Repeat using Fabric C rectangles and Fabric B squares, assemble 4 C/B Flying Geese units. Set aside.
- Sew an assembled Fabric B/C unit from Step 1 to an assembled C/B unit also from step 1. Repeat to create a total of 4 units. Press and set aside.
- Sew a Fabric B square to a 2" fabric A square. Press, repeat to create a total of 4 units.

- Sew a fabric B rectangle to the bottom of an assembled unit from Step 3. Press. Repeat to create a total of 4 units.
- Sew an assembled unit from Step 4 to either side of an assembled unit from Step 4 to either side of an assembled unit from Step 2. Repeat and press.
- Sew an assembled unit from Step 2 to either side of the 3.5" Fabric A square. Press.
- Sew the rows together and press.
