

## Konjac Gum Powder

# Material Safety Data Sheet

### 1. Identification of substance:

- Product details: Konjac Gum powder
- Manufacturer/Supplier: Soap and More The Learning Centre Inc.

### 2. Composition/Data on components:

- Chemical characterization: pure natural product without any additive.
- Description: off white powder
- Dangerous components: no.

### 3. Hazards identification

- Hazard description: not applicable.
- Information pertaining to particular dangers for man and environment: not applicable

### 4. First aid measures

- General information: no special measures required.
- After inhalation: Supply fresh air; consult doctor in case of complaints.
- After skin contact : generally the product does not irritate the skin.
- After eye contact: Rinse opened eye for several minutes under running water.

### 5. Fire fighting measures

- Suitable extinguishing agents:  
CO<sub>2</sub>, extinguishing powder or water spray. Fight larger fires with water spray of alcohol resistant foam.
- Protective equipment: No special measures required.

### 6. Accidental release measures

- Measures for environmental protection: No special measures required.
- Measures for cleaning/collection:  
Pick up mechanically avoiding causing a stir.
- Additional information: No dangerous substances are released.

### 7. Handling and storage

- Information for safe handling: No any effect.
- Information about protection against explosions and firms: No special measures required.
- Storage: Keep in a cool and dry place, away from light and heat. Metal containers are not used.
- Information about storage in one common storage facility: Not required.
- Further information about storage conditions: None.
- Storage class: no special requirement.

## **8. personal protection**

- Personal protective equipment: no requirement.
- Breathing equipment: common mask.
- Protection of hands: Not required.
- Eye protection: Not required.

## **9. Physical and chemical properties:**

- Form: off white powder
- Odor: Characteristic
- Content of Konjac Gum powder 95%
- Moisture: not more than 5%

## **10. Stability and reactivity**

- Thermal decomposition / conditions to be avoided:  
No decomposition if used according to specifications.
- Dangerous reactions: No dangerous reactions known.
- Dangerous products of decomposition:  
No dangerous decomposition products known.

## **11. Toxicological information**

- Acute toxicity: none
- Primary irritant effect: astringent
- On the skin: no irritant effect on the skin. The inhalation of powder can irritate the respiratory tract.
- On the eye: No irritant effect.
- Sensitization: No sensitizing effects known.
- Additional toxicological information:

When used and handled according to specifications, the product does not have any harmful effects according to our experience and the information provided to us.

## **12. Ecological information:**

- General notes: Not known to be hazardous to water.

## **13. Transport information:**

- ADR/RID class: By sea or By air

## **14. Other information:**

### **Company Policy or Disclaimer**

Not for human or veterinary clinical use.
