

April 26, 2019

To Whom It May Concern,

Sodium carbonate (Soda Ash) produced by TATA Chemicals (Soda Ash) Partners is free from any of the following allergens:

- Animal Derivatives
- Crustaceans
- Fish
- Mollusks
- Dairy products such as eggs, milk, and milk byproducts
- Legumes and Tree nuts
- Corn, Wheat, and Yeast
- Celery, mustard, sesame seeds, and products thereof
- Added sugar or other nutrients
- Artificial colors, sulfites, monosodium glutamate (MSG)

Additionally, sodium carbonate has no nutritional value other than sodium (43.3% in sodium carbonate) and has no fats.

Sincerely,

Marco A. Cortes
Quality Assurance Manager
