## ABOUT US

Lightfox, founded in August, 2017, is an Aussie brand that is built around professional 4x4 lighting solutions and centers on delivering superior output with excellent value and rock-solid reliability that has won the trust of outdoor enthusiasts across Australia.

From the R&D of 4x4 LED auxiliary lights, to the optically upgraded reflectors, strictly tested wiring harness, switch, and control panel, our range of products are built to fulfill your demands for lighting, and we at Lightfox work to transfer every single luminous energy to boost your vision.

At Lightfox, we strive for quality, performance, and fair prices and at the same time, offer superior value to our amazing customers. This commitment is what drives us to continuously develop and improve our products to fulfill your needs. Because we want to make you our loyal customer.

Over the years, we've fostered a customer-oriented culture and collaborative and supportive teams that have been the key behind every progress we've made. And our passion to innovate has built Lightfox into something we're proud of.

Lightfox, The Vision To Explore Your Passion.

## IMPORTANT SAFETY INSTRUCTIONS

- This LED strip light kit is designed for use in sheltered areas, and should be protected from adverse weather. Any uses other than those mentioned in this manual will be considered a case of misuse. The user shall be liable for any damage or injury resulting from such cases of misuse.
- Children should be supervised at all times whilst operating the strip light kit.
- Be cautious when connecting cables to a power source as this may cause injuries when it is not carried out correctly.
- DO NOT look directly at this light as it can cause eye damages.
- This product is designed to be connected to a 12V system.
- To disconnect the cord, DO NOT drag the cord itself. Doing so may result in damage to the cord, leading to fire or electric shock.
- The product should NOT be modified or converted otherwise than prescribed.
- The product and its components should NOT be exposed to mechanical, static loads and other tension/compression.
- The main power supply has to be switched off before installation.
- Installation is recommended to be done by a certified professional with knowledge of electrical circuits or a specialised maintenance person known with valid directives.
- Use ONLY supplied parts and accessories to ensure a safe installation and use of the product.
- DO NOT fasten anything to the product. The same applies when hanging.
- DO NOT install the product when damage is visible on the product or its cables; the inside of the product is moistened or dirty; the product or its cables have been modified. This could lead to an electrical shock or a short circuit may occur.
- Disconnect the power before maintenance and cleaning.
- Dust and dirt accumulated over time should be removed to assure optimal functioning of the product.

- 1 PC(s) Carry Bag
- 1 PC(s) User Manual

# INSTALLATION INSTRUCTIONS

## Assembly:

### Option 1:

### Option 2:

### Examples of Installation:

Positioning the LED light strip is made easy thanks to the three velcro straps along the length. They will attach to a tent pole or caravan awning arm without any trouble. In fact, they can be suspended just about anywhere you need light.

**Work under the engine bay**

**Create a bug free environment.**

( Please note that FLCL72-T does not include amber LEDs.)

**Can be fitted underneath the awning rail.**

## WARRANTY

---

Lightfox (“Manufacturer”) warrants to the original buyer (“User”) that its LED strip light sold hereunder shall be free from material defects in workmanship or materials and conform to Lightfox's specifications for this product under normal application, installation, use and maintenance conditions from the date sold and for the duration (the “Warranty Period”) of 1 YEAR.

If it fails to operate during the limited warranty period due to defects in materials or workmanship, Lightfox will, at its option, replace it with the same or similar product, or issue a refund. This limited warranty is provided by Lightfox and there are no other warranties, expressed or implied, except as required by law, including warranties of merchantability and fitness for a specific purpose, that are provided for herein, however all such implied warranties, if any, are limited to the duration of this specific limited product warranty. Oral statements or representations about the product do not constitute warranties.

### **THE WARRANTY DOES NOT COVER:**

Defects caused by normal wear and tear, inadequate maintenance, transportation, storage or failure to observe installation or maintenance instructions set forth in the Lightfox's instructions. Damages to parts or products resulting from tampering, accident, abuse, misuse, negligence, unapproved modifications, fire or other hazards; improper operation; unauthorized repairs, submersion, theft or vehicle crash.

Damages whatsoever (including, without limitation, consequential damages, incidental damages, or damages for loss of use, loss of profits, loss of time, inconvenience, or other losses, etc) arising out of the misuse, or inability to use a Lightfox product.

### **CLAIMS:**

No returns will be credited without an authorization. If a Lightfox product is suspected of being defective, you'll need to provide proof of purchase (e. g. a screenshot of the order) and a picture of the damaged goods in their entirety to [sales@lightfox.com.au](mailto:sales@lightfox.com.au) or the seller you purchased from for evaluation. Removal, installation, or reinstallation costs are not covered by this limited warranty.
