

HydroGen 5^{PRO}_{mm}

Go Ahead. Make a Splash.

Introducing our new HydroGen series floors where WaterProof is literally at its core. Whether you choose to install this in your basement, bathroom, or kitchen, HydroGen can handle anything your home throws at it.

Beauty You Can Feel.

From the surface, HydroGen was created to mimic a natural hardwood floor. Our Innovative True Touch Texture technology gives you the feeling of a natural floor while adding a strong protective layer for wear resistance.
