

BIYORK HydroGen 6

Go Ahead Make a Splash

Introducing our Waterproof Vinyl floors, functional aesthetics made for living. Whether you choose to install in an entrance, basement, bathroom, or kitchen, HydroGen can handle anything life throws at it.

Walking On Air

HydroGen 6 now provides an overall thickness of 6mm, giving the floor an extra dimension of stability, durability, and comfort.

Beauty You Can Feel

From the surface, HydroGen was created to mimic a natural hardwood floor. Our Innovative True Touch Texture technology gives you the feeling of a natural floor while adding a strong protective layer for wear resistance.
