

NOUVEAU 8 | Engineered Hardwood Collection

The Beautiful Wide.

NOUVEAU 8 is the most innovative line in Biyork's portfolio of Engineered Hardwood Floors. The Extra-Large planks provide a dimension of 8-1/2 inches wide by 86 inches long; this collection sets the standard of bringing modernism and a contemporary finish to your home.

Inside That Shape The Outside.

NOUVEAU 8's inner structure was created with Multi-Ply technology to bring a stronger and more stable structure that can withstand the dynamic nature of your home due to weather and temperature variations.
