ENGINEERED HARDWOOD FLOORS

Versatile. Contemporary. Modern.

No detail has been overlooked and no corners have been cut. This beautiful 6 inch wide plank is designed to get noticed. Nouveau 6 Clic multiply core provides additional durability and stability, making it less prone to warping or damage from moisture or fluctuating climate conditions compared to HDF.

Available in a wide selection of different species, Nouveau 6 can cater to almost every personality looking for a versatile and contemporary look for the home.
