# ACCELERATING INNOVATION + DESIGN

Every aspect of our floors are designed in pursuit of performance ready for the world.

We Believe that everything we do is a movement towards an alluring combination of Dynamic Performance and Modern Craftsmanship. We do this by making every inch of our floors push the boundaries of Innovation forward with Beautiful Designs, Ease of Installation and Our Obsession For The Next Best Thing.

Together, we deliver the foundation that reflects your Personality and create the Ultimate Statement in any space.

## BY INNOVATION. BY DESIGN. BIYORK.

Every aspect of our floors are designed in pursuit of performance ready for the world.

We Believe that everything we do is a movement towards an alluring combination of Dynamic Performance and Modern Craftsmanship. We do this by making every inch of our floors push the boundaries of Innovation forward with Beautiful Designs, Ease of Installation and Our Obsession For The Next Best Thing.

This is BIYORK.

HydroGen welcomes splashes, accidents, spills of any sort and will not damage your floor. Just simply wipe clean.

Walk and Feel the beauty of HydroGen with our True Touch Texture technology - a realistic step towards next generation technology.

HydroGen includes an attached 1mm underlay in every plank. This helps dampen sound and increase comfort in every floor.

1.0mm EVA • 1.0mm IXPE • 1.5mm IXPE

# SPC CUSTOMIZATION

Customization is an art. We provide options and finishing that make floor design limited by your imagination.

Make it a reality over your choice of material thickness, widths, lengths down to the outer shell layer and product packaging.
