

## Introducing Boost

Boost sanitiser spray is a powerful cleaner and sanitiser for hard surfaces. Perfect on marble, stainless steel and other hard surfaces

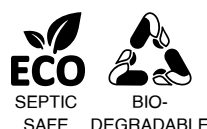

## Key Benefits

- Australian made and owned
- Kills 99.9% of germs
- Pleasant smell
- Fast acting
- No greasy residue
- 70% V/V Ethyl Alcohol
- Glycerol

## Sustainability

Cleaner Future aims to construct formulations that efficiently solubilize and disperse fats, oils and dirt, thereby minimizing the amount of cleaning product required to achieve a complete clean. This lightens our load on our sewer system and increases the rate and degree of biodegradation. We endeavour to use plant-based surfactants that originate from cropping. Where possible, we replace petrochemical solvents with plant-based oil seeds.

## Directions of Use

Apply Boost straight onto surface and wipe off with a clean cloth. For best results to not mix Boost with any other detergents and or chemicals.
