

Introducing Keys.

Keys is a heavy-duty floor cleaner used to clean floors, walls, and other surfaces. This mild PH neutral floor cleaner and extremely concentrated solution, has been created by Cleaner Future to tackle grease, oil and stubborn floor and wall stains — without leaving any residue behind.

Key Benefits

- PH Neutral floor cleaner
- Pleasant eucalyptus fragrance
- Highly concentrated
- Bio degradable
- Non hazardous formula

Sustainability

Cleaner Future aims to construct formulations that efficiently solubilize and disperse fats, oils and dirt, thereby minimizing the amount of cleaning product required to achieve a complete clean. This lightens our load on our sewer system and increases the rate and degree of biodegradation. We endeavour to use plant-based surfactants that originate from cropping. Where possible, we replace petrochemical solvents with plant-based oil seeds.

Directions For Use

Dilute 1 part product to 30 parts water.
Simply pour into mop bucket with warm water or use directly on the dirty surface.
