

Introducing Command.

Command is a powerful, all-in-one anti-bacterial used for cleaning a variety of surfaces and amenities. This super concentrated sanitiser has been created by Cleaner Future to kill 99.9% of harmful bacteria and viruses found on food prep areas and amenities.

Unlike most other Covid-19 registered disinfectants, Command has been registered as a 'Type B', so it can be used directly onto soiled surfaces, without compromising it's ability to kill.

ARTG No. 353369

Key Benefits

- Australian made and owned
- Kills - E. coli, P. vulgaris, P. aeruginosa, S. typhosa, S. aureus and Salmonella.
- Kills Covid-19 - Coronavirus, SARS-CoV-19
- Super concentrated, industrial-strength degreaser/cleaner.
- Does NOT contain alcohol or peroxide
- Powerful Cleaning Action
- 100% Bio-degradable
- Formulated with 'Third Generation' QACs

Directions of Use

Use a 1:4 (20%) solution of Command and water for hospital grade disinfection. If connected to Cleaner Future's auto-dosing system simply fill the bottle provided. Spray onto surface and allow up to 60 seconds for the product to penetrate effected area. For on the go disinfecting; Spray and wipe is fine.
