

Introducing Silk.

Silk is a hand soap for use on exactly that, hands. This exceptionally high quality, and high foaming liquid cleanser, has been created by Cleaner Future to be gentle on the skin and disinfect the hands — suppressing the spread of germs and bacteria. Through Silk, be safe, with clean hands.

Key Benefits

- Made with premium orange Australian oils
- Soft on skin
- Anti-Bacterial action
- Non-Hazardous

Sustainability

Cleaner Future aims to construct formulations that efficiently solubilize and disperse fats, oils and dirt, thereby minimizing the amount of cleaning product required to achieve a complete clean. This lightens our load on our sewer system and increases the rate and degree of biodegradation. We endeavour to use plant-based surfactants that originate from cropping. Where possible, we replace petrochemical solvents with plant-based oil seeds.

Directions of Use

Apply a palmful of Silk in a cupped hand. Rub hands palm to palm through the fingers and back of hands. Wash off with warm water and dry hands with hand towel. For best result us in conjunction with Cleaner Future hand soap dispenser.
