

## Introducing Strike.

For cleaner dishes you find in the sink. Goes on green, comes off clean. Strike is a general-purpose dishwashing detergent used for washing the plates and pans, knives and forks. This green coloured solution has been created by Cleaner Future as a heavy-duty cleaner for when the lighter duty just won't do. Let Strike do what it does, and what it does, is better than the rest.

## Directions of Use

While filling sink with water, add 30mls of green detergent and allow foam to build. For light dishwashing, simply place plates etc, into water and wipe. To remove heavy grease or baked-on food, fill with water and let soak for 10-15 minutes.

PRODUCT	CODE
5L	STRIKE-610 5L
2 x 5L	STRIKE-610 5L2
4 x 5L	STRIKE-610 5L4
15L	STRIKE-610 15L

## Technical Data

Form: Viscous liquid

Colour: Green

Fragrance: Apple

## Key Benefits

- Free of fillers such as salt and urea
- Caustic & Phosphate free, pH of 8 (Neutral), so it is gentle on skin.
- Thin so it disperses in water better
- Excellent grime cutting abilities

## Sustainability

Cleaner Future aims to construct formulations that efficiently solubilize and disperse fats, oils and dirt, thereby minimizing the amount of cleaning product required to achieve a complete clean. This lightens our load on our sewer system and increases the rate and degree of biodegradation. We endeavour to use plant-based surfactants that originate from cropping. Where possible, we replace petrochemical solvents with plant-based oil seeds.
