

The Most Flexible Multi-Tool on the Planet

Keyport's modular everyday carry system seamlessly integrates keys, pocket tools, and smart tech into a compact, fully customizable device in the size of a Tic Tac box. Part key organizer and part multi-tool with the added security of KeyportID's exclusive lost and found service, the Keyport Pivot ensures your essentials are both streamlined and safeguarded, elevating your EDC with a dash of cool, tech-savvy sophistication and the flexibility to equip you for all your adventures.

Modules & Faceplates snap onto both sides of the Pivot's chassis

Clip 'Em Anywhere ~ Keep 'Em Everywhere

Expanding Keyport's modular EDC lineup, Anywhere Tools and our Module Pocket Clip champions utility, convenience, and style by offering a versatile way to stack and carry tech and tool modules sans keys. Customize your mini multi-tools with our Faceplates to show off your unique style. Anywhere Tools seamlessly integrates into your life, clipping on everything from backpacks to boats, and ensures your favorite tools are always within reach.

Build custom stacks of Modules & Faceplate on a pocket clip.
