Come explore Chinoiserie with us...

Chinoiserie is an idyllic representation of Chinese and East Asian culture. Coming into style in the later half of the 18th century, Chinoiserie styling includes exquisite detail and beautiful bold colour palettes. Favoured for its whimsical and fantastical scenery, this interior trend will remain extremely popular for years to come.

Murals

Derous

A beautiful wisteria tree stands in front of a lake in a Chinese garden, surrounded by birds, creating a peaceful scene that would look great in a living room or bedroom.

Royal Chinoiserie

Highly detailed and inspired by Chinoiserie design, this wallpaper is sophisticated and elegant. Royal Chinoiserie features bold blues and crisp gold tones on a white background.

Violet Oasis

Elegant cranes and peacocks sit in dreamy violet bliss; and with lilac blossoms and beautiful greenery this is the perfect backdrop for any home. Bring an element of luxury and style to any room with Violet Oasis.

Chisine

Beautiful cherry blossom trees with birds and flowers along the bottom edge. With a mint background and a subtle geometric pattern, this mural is a true piece of Chinoiserie style.
