## SPECIAL ABBREVIATIONS

dc2tog work 2dc tog as foll: insert hook in first sp as instructed, yrh and draw a loop through, insert hook in second sp as instructed, yrh and draw a loop through, yrh and draw through all 3 loops on hook
htr4tog work 4htr tog as foll: (yrh, insert hook in ch sp, yrh and draw a loop through) 4
times in same ch sp, yrh and draw through all 9 loops on hook
The yarn amounts stated are based on average requirements and are therefore approximate.
TENSION 10 puff sts to $10 \mathrm{~cm}, 4 \mathrm{in}, 7$ rows of puff sts to $9 \mathrm{~cm}, 31 / 2 \mathrm{in}$, over puff st patt on 4 mm hook or the size required to give the correct tension.
4 arches to $10 \mathrm{~cm}, 4 \mathrm{in}$, and 11 rows to $8 \mathrm{~cm}, 3 \mathrm{in}$, over border patt on 4 mm hook or the size required to give the correct tension.
It is essential to work to the stated tension to ensure the correct size of garment and you should always work a tension square.
If there are less sts and rows to $10 \mathrm{~cm}, 4 \mathrm{in}$, change to a finer hook if there are more sts and rows to $10 \mathrm{~cm}, 4 \mathrm{in}$, change to a larger hook. Instructions are given for the first, smallest size. Larger sizes are given in square brackets. Where only one figure is given, this applies to all sizes. Where the figure 0 appears, no stitches, times, or rows are worked for this size. Although every effort has been made to ensure that instructions are correct, Stylecraft cannot accept any liabilities.

Stylecraft cannot accept responsibility for the result of using any other yarn.
