# PRODUCT CARE

## Veneer Wood

Use a soft and slightly dampened cloth to clean veneer furniture. Follow with a clean, dry cloth immediately for best results. To repair scratches to veneer, apply a colorless wax. Test wax on a small inconspicuous area first before applying to the rest of the wood.

## Important things to remember:

- Do not use chemical bleaches.
- Do not use glass cleaner.
- Keep veneer away from pets as their bodily fluids may cause damage, or they may scratch finish.
- Avoid contact with acidic liquids (e.g. sodas, vinegar, acidic cleaners) to prevent damage.

## Mirror

Use either a lint-free towel or a simple paper towel and dampen with high-quality glass cleaner. Wipe dry with a fresh paper towel after cleaning to reveal a streak-free shine.

## Important things to remember:

- Never use glass cleaner on anything other than glass.
- For heavily soiled glass, clean glass with a wet cloth before using glass cleaner.
