BELLA  
ACCENT CHAIR

# DESCRIPTION

Indulge in your love of both the modern and retro with this Bella Armchair that combines the best of both worlds into a comfortable transitional piece. The chair features an amply padded seat and back with wraparound arms that provide additional comfort and support. Confidently supporting the seat is a pair of high-quality metal legs.

- High quality wooden frame features natural wood grain.
- Neutral toned upholstery works into any style of living space.
- Rests on a strong stainless-steel base.

Fabric

# PRODUCT CARE

## Veneer

Use a soft and slightly dampened cloth to clean veneer furniture. Follow with a clean, dry cloth immediately for best results. To repair scratches to veneer, apply a colorless wax. Test wax on a small inconspicuous area first before applying to the rest of the wood.

Important things to remember:

- Do not use chemical bleaches.
- Do not use glass cleaner.
- Keep veneer away from pets as their bodily fluids may cause damage, or they may scratch finish.
- Avoid contact with acidic liquids (e.g. sodas, vinegar, acidic cleaners) to prevent damage.

## Fabric

Vacuum fabric at least once every 60 days or consider hiring a professional company to care for your fabric furniture. In the event of a spill or a stain, clean the affected area immediately by dabbing with an absorbent cloth dampened with warm water and a tad of mild soap.

Important things to remember:

- Follow specific fabric care instructions included on your furniture label.
- Turn fabric pieces (for example, couch cushions) to avoid excess wear on either side.
- Fluff fabric pieces regularly to avoid lumps.
