

DESIGNER

Marcelo Ligieri

There is no limit to what inspires me while designing. Modern design is practical and straight-forward yet flexible and organic. As furniture is an extension of oneself, I feel a responsibility to reflect the modern image in all its glory.

PRODUCT CARE

Brazilian Leather

Clean dirt or stains on genuine leather with a clean cloth that has been lightly dampened with leather cleaning solution. Follow with a dry, soft cloth for best results. In order to maintain and upkeep leather make sure every 60 days to apply leather protector. This process helps keeps the moisture in the leather.

Important things to remember:

- Leather will crease, wrinkle, and stretch with regular use. This is normal for all leather products.
- Protect your leather by covering your windows with blinds and curtains as sunlight can cause discoloration.

Metal

For metal care, use a dry or lightly dampened soft cloth. For heavily soiled metal, clean with mild soap and water. If using a damp cloth, dry with a new cloth immediately after. Important things to remember:

- For best results, use a microfiber cloth
- Clean metal frequently. Soiled metal may become corroded.
- Do not use glass cleaner to clean metal.
