## PRODUCT CARE

### Solid Wood

Use a soft and slightly dampened cloth to clean Solid Wood furniture. Follow with a clean, dry cloth immediately for best results. To repair scratches to wood, apply a colorless wax. Test wax on a small inconspicuous area first before applying to the rest of the wood. Important things to remember:

- Do not use chemical bleaches.
- Do not use glass cleaner.
- Keep Solid wood away from pets as their bodily fluids may cause damage, or they may scratch finish.
- Avoid contact with acidic liquids (e.g. sodas, vinegar, acidic cleaners) to prevent damage.

### Velvet

- If the garment has a stain, gently brush the velvet around the area of the stain with a soft clothes brush or lint free cloth to try and remove it.
- If the stain is still visible, mix some washing-up liquid with warm water and whisk until it forms a good amount of suds.
