DINING CHAIR

DESCRIPTION

The tall slimline, tapering back of the Mara Dining Chair affords a remarkably modern look that still takes influence from retro designs. The eco-leather-upholstered chair sits on mid-century modern-style legs in either Stainless Steel or a powder-coated dark gray finish.

- A perfect blend of modern and retro flair.
- Supple eco-leather upholstery.
- Crafted with premium materials that will last generations.

Terracotta Leather|Stainless Steel

PRODUCT CARE

Eco-leather

Clean and dust eco-leather with a soft, clean cloth. You may use mild soap and water, followed by a new cloth to dry for standard eco-leather care.

Important things to remember:

- Do not use harsh detergents to clean eco-leather.
- Avoid using drying products like alcohol, or concentrated detergents.
- Eco-leather, like traditional leather will naturally crease, wrinkle and stretch with regular use.
- Prevent sun damage and discoloration by making use of your window curtains or blinds.

Stainless Steel

To remove surface stains, use stainless steel cleaner or glass cleaner with no ammonia. Wipe the stainless-steel surface clean with a cloth dampened with the solution then use a clean cloth to dry the surface completely.

Important things to remember:

- Always use a soft, dry cloth to finish and dry stainless steel
- Clean stainless-steel at least once every 60 days.
- Keep the bases of chrome polish/finished products away from pets as their bodily fluids may cause damage
