# PRODUCT CARE

## Eco-leather

Clean and dust eco-leather with a soft, clean cloth. You may use mild soap and water, followed by a new cloth to dry for standard eco-leather care.

Important things to remember:

- Do not use harsh detergents to clean eco-leather.
- Avoid using drying products like alcohol, or concentrated detergents.
- Eco-leather, like traditional leather will naturally crease, wrinkle and stretch with regular use.

- Prevent sun damage and discoloration by making use of your window curtains or blinds.
