1

You may need extra help for assembly. Start by placing both sideboards facing each other, making sure to leave the 4 clothes hangers on the outer side.

2

Start by inserting the top rod in its corresponding slots at the top of the sideboards and screw it in only halfway.

Lay the pieces on the floor to proceed with the bottom slats.

Start aligning the slats with their corresponding pre-drilled holes using a toothpick or alike tool in order to avoid damaging the pieces.
