

Little Bean Rocker Tutorial

Greetings from Wiwiurka workshop. Thank you for purchasing a handmade toy.

Assembly time: 40 min. Difficulty level: basic.

Please make sure you have the following parts:

Parts

X2 side boards

X32 - 2"
X4 - 2 1/2"

X2 wide slats (seat)

X3 narrow slats

X6 long rods

X2 short rods (handles)

X4 small notched wooden pieces

For the assembly you will need:

Electric or manual screwdriver; a toothpick, drill bit or alike tool.

Before starting:

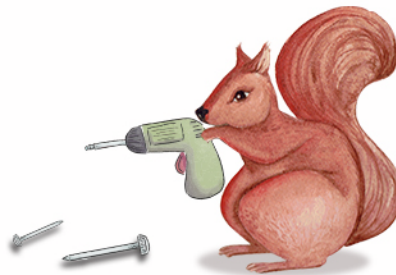

- Assemble this item on a soft surface such as cardboard or carpet, to protect finish.
- Remove all wrapping material before you start to assemble.
- Organize all your pieces in advance. Sorting will make assembly more efficient.
- Do NOT tighten all screws until completely assembled.
- Keep hardware parts out of reach of children.

Instructions:

NOTE: Please make sure to screw your pieces at a low speed to avoid the slats/boards from cracking.

Screw in 1 rod at each end of the side board.

Screw in the 3 narrow slats at the middle of the side board.

Flip over the item and position the other side board on top.

Use your guiding tool to make sure all slots are aligned.

Screw in only slightly.

Place the rocker upside down and exercise downward pressure with your body to make sure everything is perfectly leveled. Tighten all screws.

Attach the handles using the 2 ½" screws. Insert the screws to attach the notched wooden pieces, the tip of the screw should not stick out. Position the short rods and tighten the screws.

You did it!!!

Safety & Care instructions:

Place the Little Bean on a non-slip mat or surface.

Maximum weight limit: LITTLE BEAN ROCKER: 130lbs

Avoid contact with water as this may damage the wood.

Wipe with a soft dry cloth to protect finish, avoid the use of chemicals or household cleaners.

Never leave children alone without adult supervision.
